**Payments:** Your payment must be sent to the payment address shown on your statement and must be received by 5 p.m. local time at that address to be credited as of the day it is received. Payments we receive after 5 p.m. will not be credited to your Account until the next day. Payments must also: (1) include the remittance coupon from your statement; (2) be made with a single check drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system; and (3) include your Account number. If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. Please do not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid.

**Permission for Electronic Withdrawal:** (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

**How We Calculate Your Balance:** We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time balances on your Account. Call the Customer Care number on page 3 for more information about this balance computation method and how resulting interest charges are determined. *The method we use to calculate the ADB and interest results in daily compounding of interest.*

**How to Avoid Paying Interest:** If you have a Pay Over Time balance, your due date is at least 25 days after the close of each billing period. We will not charge interest on charges added to a Pay Over Time balance if you pay the Account Total New Balance by the due date each month.

**Foreign Currency Charges:** If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will be billed at the rates such establishments use.

**Credit Balance:** A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is $1.00 or more. To request a refund, contact us at the address or phone number as noted on page 3 for Customer Care & Billing Inquiries.

**Credit Reporting:** We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

**Billing Dispute Procedures**

- If we made a mistake: You will not have to pay the amount in question or any interest or other fees related to that amount.
- If we do not believe there was a mistake: You will have to pay the amount in question, along with applicable interest and fees. We will send you a statement of the amount you owe and the date payment is due. We may report you as delinquent if you do not pay the amount we think you owe.

### About Trailing Interest

You may see interest on your next statement even if you pay the new balance in full and on time and make no new charges. This is called "trailing interest". Trailing interest is the interest charged when, for example, you didn't pay your previous balance in full. When that happens, we charge interest from the first day of the billing period until we receive your payment in full. You can avoid paying interest on purchases by paying your balance in full and on time each month. Please see the "When we charge interest" sub-section in your Card Member Agreement for details.

### Information on Pay Over Time

### There is a no pre-set spending limit on your Card

No Preset Spending Limit means your spending limit is flexible. Unlike a traditional card with a set limit, the amount you can spend adjusts based on factors such as your purchase, payment, and credit history.

Continued on reverse

## Information on Pay Over Time continued

### Pay Over Time Limit

Your Pay Over Time Limit is $75,000.00. Your Pay Over Time Limit is the maximum amount you can revolve at any given time. We may approve or decline a charge regardless of whether your Card account balance exceeds or does not exceed your Pay Over Time Limit. You must pay in full by the Payment Due Date any charge or portion of a charge that is not added to a Pay Over Time balance.

### Available Pay Over Time Limit

Your Available Pay Over Time Limit is $71,041.74 and is accurate as of your statement date. The Available Pay Over Time Limit is your Pay Over Time Limit minus your Pay Over Time balance. If you have a preset spending limit on your account that is less than your Pay Over Time Limit, you may not be able to use some or all of your Available Pay Over Time Limit.

### Pay Over Time Setting: ON

This setting indicated above is accurate as of your statement closing date. For the most up to date setting, please refer to your online account. If your setting is On, eligible charges are automatically added to your Pay Over Time balance up to your Pay Over Time Limit. If your setting is Off, all charges will be added to your Pay In Full balance and no new charges will be included in your Pay Over Time balance. If you have an existing Pay Over Time balance, you can continue to pay this off over time with interest, as long as you pay your minimum due each month by your Payment Due Date.

## IMPORTANT NOTICES

# Notice of Important Changes to Your Card Member Agreement

We are making changes to your American Express Card Member Agreement (*Agreement*) for the Account referenced in this notice. We encourage you to review this notice, share it with Additional Card Members on your Account, and file it for future reference. The detailed changes to your Agreement can be found at the end of this summary.

If you transfer to a new Card product with the same Account number, the changes below will remain in effect.

## Summary of Changes Effective February 1, 2027

We are making changes to the Pay Over Time feature. For Card Members with Pay Over Time on their Account, the feature will be permanently set to On and the option to change the setting will be removed. Here are some answers to questions you may have regarding this change:

### What does this mean for my Account?

Starting on the effective date listed above, the Pay Over Time setting will be permanently set to On, and any new charges will be automatically added to your Pay Over Time balance, up to your Pay Over Time Limit.

- If your Pay Over Time setting is set to Off prior to the effective date listed above, you will have an additional payment option, the Minimum Payment Due, each month starting with your next billing statement after the effective date. You can choose each month to pay your Account Total New Balance in full, the Minimum Payment Due, or any amount in between.
- If your Pay Over Time setting is set to On prior to the effective date listed above, there will be no changes to your current payment options. You can still choose each month to pay your Account Total New Balance in full, the Minimum Payment Due, or any amount in between.

### What happens if I don't want this change?

If you decide to cancel your Card Account as a result of this change, you will be eligible to receive a pro-rated refund of your Annual Fee. To receive a pro-rated refund, you must **call us at 1-855-865-1452 or call us collect at 1-336-291-1362 no later than 5:00 pm Eastern time on January 31, 2027**.

### What is the Minimum Payment Due?

The Minimum Payment Due is the least amount you are required to pay by the Payment Due Date each month to keep your Account current and avoid late fees. However, just paying the Minimum Payment Due will result in interest and prolong the time it takes to pay off your balance. Paying the entire balance or more than the Minimum Payment Due will help pay off your balance faster and reduce interest charges.

### What happens if I have an existing Pay Over Time balance and my feature is set to Off?

If your Pay Over Time setting is set to Off prior to the effective date listed above and you have an existing Pay Over Time balance, you will continue to incur interest on this balance. In addition, new charges added to your Pay Over Time balance on or after the effective date listed above will start incurring interest on the transaction date of these new charges. Consider paying your Statement Balance in full prior to the effective date to avoid incurring interest on new charges in the billing period in which the change takes effect.

### Should I make any changes to my AutoPay setting if my feature is set to Off?

If your Pay Over Time setting is set to Off prior to the effective date listed above and your AutoPay setting is currently set to Minimum Payment Due, your AutoPay setting will remain Minimum Payment Due on the effective date and interest will be charged on your remaining Pay Over Time balance, as well as on new eligible charges. Consider updating your AutoPay setting to Statement Balance in advance of this upcoming change.

## IMPORTANT NOTICES continued

**What if I am enrolled in a payment program?**

If you are enrolled in a 12-month payment program:

- If your Pay Over Time setting is set to Off prior to the effective date listed above, the changes above will apply to your Account upon the completion of your payment program.
- If your Pay Over Time setting is set to On prior to the effective date listed above, the changes will apply on the effective date listed above.

If you are enrolled in a 48-month or longer payment program:

- The changes will apply on the effective date listed above.

While Card Members enrolled in a payment program were previously able to turn off the Pay Over Time setting by calling the number on the back of their Card, Card Members will no longer be able to make changes to their Pay Over Time setting as of the effective date listed above.

For any questions about which payment program you are in, please call the number on the back of your Card.

**What if I am currently suspended from Pay Over Time?**

If Pay Over Time is suspended on your Account, your Pay Over Time feature will be unsuspended and the changes listed above will apply. Please review Part 1 of your Card Member Agreement for information about your Pay Over Time Limit and the Annual Percentage Rate for this feature.

**What happens if I cancel my Account and then reinstate my Account?**

If you reinstate your Account after the effective date listed above, the above changes will be effective on the reinstated Account.

## Detail of Changes to Your Card Member Agreement

This notice amends your Agreement as described below. Any terms and conditions in the Agreement conflicting with these changes are completely replaced. Terms and conditions not changed by this notice continue to apply. If you have any questions, please call the number on the back of your Card.

**Effective February 1, 2027**, the *About Account Features* section of Part 2 of your Agreement will be deleted and replaced with the following:

**Pay Over Time:** If Pay Over Time is a feature of your Account, you may carry a balance with interest, up to your Pay Over Time Limit. If you have a Pay Over Time balance, you can choose each month to pay your Account Total New Balance in full, the Minimum Payment Due, or any amount in between.

Charges will be added to your Pay Over Time balance as described below:

**On the Transaction Date**: Eligible charges will be automatically added to your Pay Over Time balance on the transaction date provided by the merchant or on the date when an Annual Fee is charged to your account, up to your Pay Over Time Limit. If the addition of the entire charge to your Pay Over Time balance would cause your Pay Over Time balance to exceed your Pay Over Time Limit, that charge will be added to your Pay In Full balance. The transaction date provided by the merchant may differ from the date you made the purchase if, for example, there is a delay in the merchant submitting the transaction to us or if the merchant uses the shipping date as the transaction date. Charges with the same transaction date will be added to your Pay Over Time balance in any order we choose.

**On your Closing Date**: If on your Closing Date, 1) your Pay Over Time balance is less than your Pay Over Time Limit, and 2) there are eligible new charges in your Pay in Full balance, you authorize us to automatically move all or a portion of those charges to your Pay Over Time balance, subject to your Pay Over Time Limit. If the addition of a charge to your Pay Over Time balance would cause your Pay Over Time balance to exceed your Pay Over Time Limit, we will move a portion of that charge to your Pay Over Time balance, up to your Pay Over Time Limit. The remaining portion of the charge will remain in your Pay In Full balance. Eligible charges will be moved to your Pay Over Time balance in order of the transaction dates. Charges with the same transaction date will be added to your Pay Over Time balance in any order we choose. A new charge, or a portion of a new charge, will not be eligible to be moved to your Pay Over Time balance on your Closing Date if:

- that charge is subject to a Foreign Transaction Fee;
- that charge or a portion of that charge is disputed (for a reason other than fraud) and that dispute is not resolved in the same billing period in which it was opened;
- that charge or a portion of that charge is reported as fraudulent and either (i) we determined the charge is fraudulent in the same billing period in which it was posted to your Account, or (ii) we have not yet determined if the charge is fraudulent in the same billing period in which it was posted to your Account;
- your Account is cancelled or enrolled in a payment program

Certain charges are not eligible for Pay Over Time, such as cash and similar transactions, and we may change the eligibility of other charges for Pay Over Time.

**Pay Over Time Limit**: If Pay Over Time is a feature of your Account, we assign a Pay Over Time Limit to your Account, which is shown on page 1 of Part 1 and on each billing statement. The Pay Over Time Limit applies to your Pay Over Time balance. Your Pay Over Time balance cannot exceed your Pay Over Time Limit. If the addition of a charge would cause your Pay Over Time balance to exceed your Pay Over Time Limit, that charge will be added to your Pay In Full balance. The Pay Over Time Limit is not a spending limit. We may approve or decline a charge regardless of whether your Card Account balance is greater or less than your Pay Over Time Limit. We may increase or reduce your Pay Over Time Limit at any time. We may do so even if you pay on time and your Account is not in default. We will tell you if we change your Pay Over Time Limit. You must pay in full by your Payment Due Date all charges that are not added to your Pay Over Time balance.
